

ARIZONA STATE SENATE
Fifty-Fifth Legislature, First Regular Session

AMENDED
FACT SHEET FOR S.B. 1010

recount requests; amount; bond; procedure

Purpose

Increases the minimum number of precincts included in post-election hand counts. Allows the Attorney General (AG), Secretary of State (SOS) or Legislative Council to request a recount in an election or portion of an election. Allows a person to file an action and bond in superior court for a recount of any election or portion of an election that is not subject to an automatic recount.

Background

The county officer in charge of elections must conduct a hand count for each countywide primary, special, general and presidential preference election. The hand count must be conducted pursuant to statute and in accordance with procedures established by the SOS in the Elections Procedures Manual (EPM). The hand count must be conducted on at least the greater of two percent of the precincts in the county or two precincts. Only ballots cast in polling places and ballots from direct recording electronic machines are included in the hand counts ([A.R.S. § 16-602](#)). The EPM stipulates that each vote center is considered a precinct or polling location in counties that use vote centers and requires the county officer in charge of elections to conduct a hand count on at least two percent of vote centers or two vote centers, whichever is greater ([2019 EPM, page 215](#)).

A recount of the vote is required when the canvass of returns in a primary or general election has a margin separating candidates or ballot measures of less than or equal to the lesser of: 1) one-tenth of one percent for candidates or ballot measures; or 2) between 10 and 200 votes, depending on the type of office or ballot measure ([A.R.S. § 16-662](#)). After the recount is conducted, the results must be presented in the appropriate superior court, which must announce the results and enter an order setting forth its determination ([A.R.S. § 16-665](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
